

Welcome to Bethany's SCRIP Fundraiser!

SCRIP is a fundraising program that raises funds for Bethany while you shop. When you use the program to purchase gift cards at face value, a portion of the proceeds go directly to Bethany. The beauty of SCRIP is that not only can you purchase cards for gifts, you can also put your regular household dollars to work by purchasing cards for groceries, gas, home improvement, clothing, entertainment, etc.

How to order SCRIP

There are 2 ways to order SCRIP. The preferred way is for families to set up a free online account through Great Lakes SCRIP. Information is found on the back of this page. When families place their order online, the work of administering the program and chance of error is greatly decreased. Great Lakes SCRIP software then generates reports and purchase orders that otherwise need to be generated by hand. Simply place your order (local vendors can also be ordered online), print out the confirmation and send it in to school with a check.

A paper form is also included for families who prefer this method. Simply choose your cards and send the form in with a check. Write in orders for local vendors (Ferguson & Hassler and Redner's).

Make checks payable to BCS.

cards can be picked up in the office or sent home with car riders, preschoolers or to aftercare- please write your preference on your order (cards will not be sent home with bus riders at this time)

SCRIP orders are due by 9am on the 2nd Wednesday of the month and will be available the following Tuesday

New to SCRIP this year: Ferguson & Hassler and Redner's (\$25 & \$100)

Online ordering now has a "persistent cart"- start your order and it will remain in your cart even if you log out
See the website for current promotions
