### **Financial Aid/EITC:**

FACTS Grant and Aid evaluates all financial aid applications and recommends an award amount. This recommendation is reviewed by the BCS Finance Committee and the final decision is made over the summer, or, in the case of EITC, as funds become available. There is a \$30 application fee and applications will be accepted starting April 1, 2017. The maximum Financial Aid award is 30% of tuition. Last year families received awards of 20%. The award varies each year based on the available award pool and the number of families who apply.
